Interview with Ms. Maria Vizcarrondo De Soto
Mon. 5/19/97 10:15 to 11:50 A.M.

1. In what ways were you involved with Aspira?

Aspirante part of a center club based in Manhattan on 14th Street.
Tina Mercado, Isaura Santiago, Alice Cardona were all involved.

In 1971-12 worked as a vounteer. My sister was Director of Passaic County/Paterson center.

That;s when Nelly Po-Paterson councilwoman
Joey Torres-Councilman Paterson were Aspirantes.

I was working part time with Grizel to formulate the Health Careers Program.
I started the health careers club at the HS level. Grizel did the college and medical schhool piece.

Aspira did the first heath fair in Newark. Before it bacame a big thing. CMD, Lions club were recruited to help. The students put together a bilingual Health Resources Directory they actually went out into the community and researed the information and put it together.

Aspira programs bbecame the of the model of Aspira. Jersey city, Newark ran exclusively on Talent Search money for a time no one will give us the credit for it but if you look at the program you can see all of the aspira components. US Dept pof Education.

I received a scholarship through Aspira to go to graduate school at Columbia University.

While in graduate school did a videotape what ever happened to ? Featured Maria and her sucess and return to higher education. Video
1981-2

What was her role as exec dir:

Save the org. Major deficit. Leadership development component was not functioning. Funding was just not available during this period funding sources did not want to hear it so org solely relied on educational guidance counseling piece. Health careers also. Porblem was that we were in competing withSchools with high drop out rates
Dept of ed did not recognize aspira as education center for fjudng.

My idea was that we had to build leadership develop leadership.

GU did plant seed for more corporate funding to come it when it was clear that governemnt funding could not be relied upon.

Bd. of sponsors was stateed small scale by GU, Lenhan etc.
Luncheon was converted to a money maker. Talent search money had dried up.
Board went thru changes. We lost touch during HaHe time philopshical difference.

Aspira is a movement because it is a spring board for professionals. connections.

Aspirantes are out there willing oto help

Aspira has become intititutionalized in its local community. Somehow it will always
sustain intself in its local areas because people recognize the need and the work it does.
